FOOD DRIVE – FEED THE NEED DURHAM

We are reaching out to request your support for an important community initiative. Feed The Need in Durham works tirelessly to provide food assistance to individuals & families experiencing food insecurity across the Durham Region. Their services are more vital than ever, and with your help, we can make a meaningful difference.

If you register for the annual children's Christmas Party which takes place December 5, 2026, we will be collecting non-perishable food items to support their ongoing efforts.

Every item counts, and together we can help ensure no one in the community goes hungry.

Thank you for your kindness & support!
